

ALLIED CONSTRUCTION INDUSTRIES Established 1929

Bulletin 'Celebrating 80 Years as Your Primary Resource for Commercial Construction' **January 15th, 2010**

Safety Day is Almost Here

The 11th Annual ACI/OSHA Construction Safety Day is just one month away, February 16, at the Sharonville Convention Center. Have you reserved your spot at Greater Cincinnati's foremost conference on construction safety? David Maxfield of VitalSmarts will present the Keynote speech, *Silent Danger, The Five Crucial Conversations of a Safety Culture*, and the winner of this year's Safety Awards will be unveiled at lunch. [Click here to register](#)

[Click for Employee of the Year Safety Award or Safety Innovation Award application... DUE TODAY!](#)

Spotlight Safety Program

MSHA Part 46 Training

Thursday, January 21 @ ACI
7:30 - 4:30 p.m.

This class will fulfill the safety and awareness training requirements for mining personnel and contractors with exposures during maintenance activities. Proof of completion will be provided for those who attend.

For more information, go to <http://www.aci-construction.org>

Spotlight Education Program

NCCER Project Management Series: Negotiating Issues & Resolutions

Fridays, January 29 - February 12
2:00 - 6:00 p.m. @ ACI

This class will help project managers improve two skills vital to their success: problem solving and negotiating. Learn how to maintain a positive problem-solving climate and avoid the pitfalls that can interfere with a successful project.

For more information go to <http://www.aci-construction.org>

Employment Opportunities

Geiger Construction Products has an opening for an office manager. [Click here for details.](#)

An ACI Endorsed Provider & Affinity Partner

LOOK WHAT A FELLOW ACI MEMBER HAS TO SAY ABOUT 3-HAB THE ONLY ENDORSED MCO OF ACI

"3-hab's occupational physicians have proactively communicated directly with our injured employee's treating physicians and successfully facilitated transitional work for them, which resulted in a win-win for everyone - improved employee morale and reduced or eliminated lost-time. 3-hab's experienced physicians and knowledgeable care coordinators have consistently demonstrated timely response to our questions. The personal follow up communication from a 3-hab physician sends the message that they truly care. Dugan & Meyers' use of 3-hab's MCO services has proven to be a positive experience for everyone involved in the workers' comp claim process."
