LOOK WHAT A FELLOW ACI MEMBER HAS TO SAY ABOUT 3-HAB THE ONLY ENDORSED MCO OF ACI

"3-hab's occupational physicians have proactively communicated directly with our injured employee's treating physicians and successfully facilitated transitional work for them, which resulted in a win-win for everyone - improved employee morale and reduced or eliminated lost-time. 3-hab's experienced physicians and knowledgeable care coordinators have consistently demonstrated timely response to our questions. The personal follow up communication from a 3-hab physician sends the message that they truly care. Dugan & Meyers' use of 3-hab's MCO services has proven to be a positive experience for everyone involved in the workers' comp claim process." [Jenny Scheuering, CHST, Dugan & Meyers](#)
