Support our Partners' Upcoming Events

May 16th: Construction Financial Management Association of Cincinnati presents: Cost Cutting & Internal Controls from Robert Davidson, National Speaker-click logo for details.

May 22nd: American Subcontractors Association of Cincinnati & Benjamin, Yocum & Heather present: Opportunities in Construction Contracting for MBE, WBE, DBE & SBE Businesses. Click logo for details.

For the fourth consecutive year, VonLehman & Company, in conjunction with ACI, is providing an opportunity for your company to participate in a financial survey for the construction industry. From this you will have information on how you compare with your competition both in Greater Cincinnati as well as nationally. Over the years we have added additional subcontractor categories as well as provided multiple year comparisons on industry trends. Join us for a presentation of the survey results at Kenwood Country Club on August 30, 2007. Click the logo for the survey or complete it on line at www.vlcpa.com/Construction_Survey.asp.

Employment Opportunities
