

ACI PRESENTS THE EIGHTH ANNUAL ENROLLMENT OPORTUNITY FOR THE: TRI-STATE SAFETY DIALOGUE APRIL, 2007

Tri-State Safety Dialogue is a program linking small groups of ACI members together to discuss and share information about one common interest – **SAFETY !**

Who Should Participate ?

- Individuals who have responsibility for safety within their companies: Safety Directors, Safety Supervisors, Safety Coordinators and Human Resource Managers.

Purpose:

- To provide a forum for members to network, share information; troubleshoot safety issues with peers all in a *confidential* setting.
- For members to gain safety awareness, knowledge and ideas that work and to share successes/failures.
- To help members stay current on OSHA regulations and changes.

General Information:

- Participants will be teamed in groups and will meet at least six times a year.
- All meetings are confidential and will only be attended by group members, unless a speaker or guest has been invited by the group.
- Registration for this program happens *once annually*, don't miss this great opportunity.
- The cost is \$75 a year and is open to ACI Members only.
- This year's annual kick-off meeting will be held at ACI on April 26, 2007 @ 7:30am, **registration is required using the standard ACI registration form.**
